

1. Get some agreed vision amongst stakeholders
2. Find out how to grow stakeholder interest to find the partners to work with

Major businesses - Mercury, Wadsworth, Oyster Shop, ARPA
 ✓ Shed, collection of AIRBNB's owners & accom providers, restaurants

Community - all including off island ratepayers! Council.
 ARPA & Community Groups

The community working together along with the local businesses, rate payers, council + ARPA.

EVERYBODY!

The Churches need to do more to help the Community. - Get a meeting of the church leaders together to do practical service.

Other communities on K.1 to support businesses.

Collaboration between ARPA, businesses, Council + community (currently divided - hopefully this process/vision helps)

Community groups (boating, tourism, accommodation, retail etc) but I think small dedicated business will champion the vision

• Charles Darwin SNR for wildlife, marine & environmental Protection.
 Aboriginal Dept - Pelican History (spirit).

* THE COUNCIL NEED TO DO MORE IN THE RIVER
INSTEAD OF THE BARE MIN.

* town businesses, big & small. Transport services - ferry
council, community groups, sister towns with same vision,
developers with vision and community awareness, media
platforms to find like minded businesses / partners.

+ Partner with Council

+ Partner with K.I. Tourism Alliance

+ " " K.I. Business + Brands Alliance

+ " " local businesses

" " SA Tourism Commission

" " AR Tourist Resort

" " Golf Course.

The Department of Marine + Harbours to upgrade the Wharves

The council needs to be transparent with
the growth and sustainability of the river.

Partner with Developers of Subdivisions to provide
Storm Water retention + treatment of Wetlands.
