

Trail - popular Wildlife Statue trail. In Port McQuarie they have trail of koalas & map. Pride in "Showcasing our wildlife painted (artwork) designs, & supporting local businesses & locations.

The seafaring culture - boats, seafood, working wharves, value the past & maintain the ongoing viability of the township

Enhance tourism attractions (natural + built) for the benefit of the community instead of looking at them as competing interests. ✓

Diversity of residents - age, culture, interests

Encourage creative partnerships with organisations like Craftsouth, bring artists/writers/musicians to have workshops/residencies low rent studios in the town to encourage artists etc. to interact with community. Make it a safe place to create....
The place is amazing all by itself.

• Destination Event - "A'La CART at the River", embrace & showcase KI Products, tourism & Community. Benefits incl' economical influx possibly at a "Quiet" time of year.
Eg Gala day was successful and broadened Recognition & repeat visitation for AR.

Enhancing the maritime history, perhaps using the wharf area for musical events + other art based performances
Promoting food produce from KL

Christmas Event - similar to years ago - free everything BBQ, raffles, books for the kids. Parade from wharf to the CFS sheds. (Games, F.C. etc) It was awesome and brought the whole town together. People have asked often for it to be repeated. (Great community event.)
