

FOOT PATHS & FUEL OUTLET

- Footpaths - Prams & pushbikes so necessary for Community, Kids & visitors.
- ~~Water~~, traffic control
25 km zone on Tangara from sled to playground (slow zone)
- Water to business'
- Coastal walk ~~control~~ (way over), landscaping
- Integrated tourism & working Wharf precinct
- Stairs at Pennington Bay need to be safe. It is one of most visited locations on KI

Food options

Fuel

- More obvious signage entering town 50km speed limit - many vehicles speed (both tourists & locals)
- Earlier signage re Wharf location nearing Tangara Drive entering town many vehicles do u-turn or stop & reverse opposite Pelican statue.

Water, fuel, facilities for boating visitors, more food options with consistent hours/days/nights. Board walks. Event infrastructure, good roads, a sense of arrival and welcome - signage - "you are here" - major attractions. Develop The Sled for more groups / food. Natural swimming Pool.

- Well designed footpaths,
- landscaped footpaths + open areas
seating ~~at~~ + other outdoor furniture
kerbing, stormwater sorted
→ overall beautification of public
areas + improvements to
entrances of local businesses.
- footpath + kerb fr Longueu
Rd to Buide Drive along
Red banks Rd.
- A Supermarket Maybe !!!

A new yatching facility + Floating pontoon

A Wetlands project for stormwater run off

- I like it how it's is!

- IMPROVE BOAT RAMP! EG PAVE!
WASH DOWN FOR MOTORS / TRAILERS
RUBBISH BINS

- Shed -

Support & maintenance at the oval for Kids & adults to enjoy outdoor activities.

Support of "Community sporting" or active encouraging activities, more acceptance for Kids (families).

- Water park / feature?

- Employment in Appropriate industry to town

- Natural Swimming pool - Kids culture is growing ✓
& Kids need water safety skills ✓

a swimming enclosure will help attract younger families + hold them here ✓

Footpaths - along roadside - not wooden structures that need constant attention and money. Leave foreshore from wharf to cfs shed as it is. No wooden walkways on top of a levee bank. (No levee bank.)

Fix - current path from Redbanks/Scenic Drive corner to Wanderers Rest. No need for alternative along roadside - too narrow.

Small retail outlets on south side of oyster shed.
Clean up this area

Develop water area between wharf & boat launching.

Complete the River Trails route - Independence Point to Cannary.

Expansion of Playground - As per Adelaide natural (wood) equipment.

- toilets at playground. EVEN A FOOTRUCKS ONCE A WEEK.
- More BBQ - Seating & cared for grounds to enhance opp to enjoy picnics, kids play etc.

boat wash down area

more options for locals re foods, meals, entertainment & FUEL

Fuel Outlet ✓ ✓ FOOD OPTIONS + LONGER OPEN HRS.

Boating Facilities for visiting vessels - visits now restricted due to lack of alongside temp. berths.

Nature-based infrastructure: signage, boardwalks

Wharf activation (improve appearance) - seasonal businesses (non-competing)

Toilets at: Playground. Do roads, footpaths. clean up.

WATER - MUST HAVE RETICULATED WATER

- School Bus stop near post office (safe)
- Repairs on dangerous roads eg Bayview rd.
Develop the wharf with ~~some~~ traffic-free precinct.
Some small retail and mainly family recreation space
Parking behind the township and some traffic free roads.

• Don't agree need more toilets at playground - develop wharf + walk / landscape through to bird hide. Better sign posted black water walk through township. Street + plantings to support
Amenities for visiting + local yachts + boats which would include fuel, more room for tenders + basic boat maintenance ✓
